Greetings Everyone!

I don't know about you, but I'm excited that spring is almost here! There's so much life that starts happening in the spring. I'm weary of the cold. I know it's part of the joy of living in KY., but I'm ready for the grass to turn green and the trees to start budding leaves. I'm ready for the church to come alive again with all the activities we so much enjoy!

The first thing I'm ready for is our spring revival to begin! God has given us 5 men, whom I consider to be as godly as they come, to share with us from the Word! I sincerely hope you will make the effort to support and encourage others to come be part of this special time in the life of Sulphur Spring. I know you'll be blessed and challenged as we hear what God has laid on the hearts of each one of these anointed men of God.

I'm also excited to get the process started in two other areas of our church life. These areas might not seem like much to some, but in the general administration of the church, they are vital. For one, we are restarting our church council. This council will serve us well in charting out the calendar for activities and events. It will ensure that we are all working together in harmony. We need to make sure everyone is working together for the good of Sulphur Spring as we serve the Lord.

The second area I'm grateful to have happen is the formation of our Constitution and Bylaws team. We as a church have been operating with a partial set of guidelines that were never voted on. We've also been using remnants of a previous set of bylaws with outdated language. It's important that we put together a clear set of bylaws, policies, and procedures so that we know where we stand as a body of believers. There are legal issues that the church needs to have in written form so that we are all protected from the possibility of law suits. Our culture today looks for reasons to attack the church. We need a concise Constitution and Bylaws to guard the church as we shine God's light into a last world living in darkness.

February brought us more weather cancellations. This affects our schedules, commitments, and our budget! It becomes easy to fall behind in all these areas when we don't have regular attendance. I pray we'll all step up in each of these areas to make sure we are the best church around!

Finally, as spring approaches, it becomes real easy to get distracted by so many options out there bidding for your time and energy. I know how easy it is to become focused on other things we think are important. Please remember the value of the gathering!

When you miss out on church, you miss out!!

As always, it's an honor and privilege to serve as your pastor!

Blessings!

Bro. Mike
